

Portable Mid-Rise

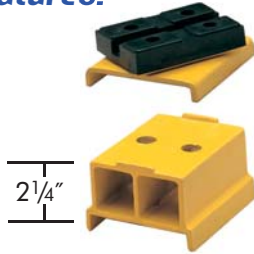

6,000 lb.
lifting capacity

Portability means Versatility

- Challenger Lifts' Portable Mid-Rise Lift is a great way to increase the productivity in a shop. It's like having a service bay anywhere, indoors or out.
- The motor is conveniently mounted to a heavy-duty tow dolly, making it easy to move and operate on almost any solid surface.
- Exclusive features include a sliding/rotating arm design with rubber pads, low drive-over clearance, and much more.

Challenger Lifts

Features:

Slip-On Adapter Kit Included:

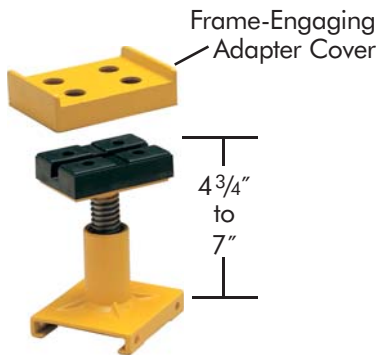

The Portable Mid-Rise Lift comes with four Rubber Pad Adapters and "Height Extension".

Power Unit Features:

Convenient single push button power unit raises lift and a release valve handle lowers it.

Optional Accessories:

66100

Four Adjustable Screw Adapters for higher frame vehicles. Adapters incorporate rubber pads to protect a vehicle's delicate undercoating.

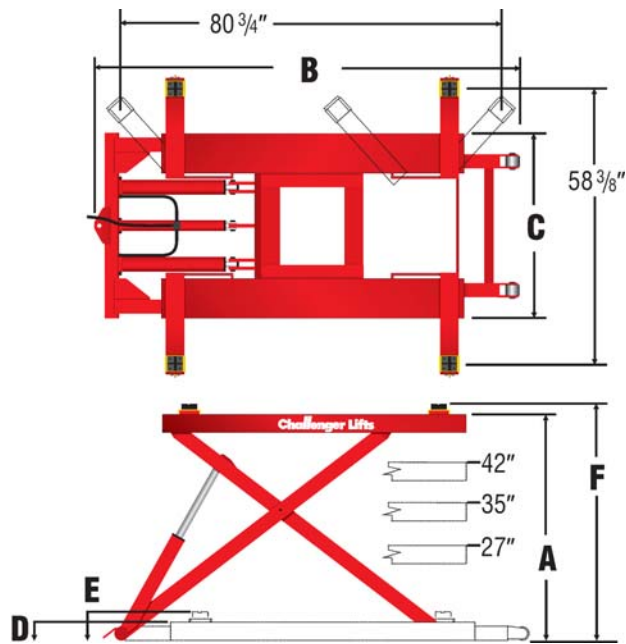

Four "Frame Engaging" Adapter Covers also included.

66000
