

MR6

6,000 lb. capacity

- 1 Provides flexibility to service vehicles anywhere, inside or out
- 2 Provides convenience and ease of maneuverability
- 3 Allows technician to work at an ergonomic height to increase productivity and minimize fatigue

- 4 Provides convenience when lifting and lowering vehicles
- 5 Reaches pick-up points on a wider range of vehicles
- 6 Accommodates higher frame vehicle pickup points

Portability

The MR6 Portable Mid-Rise lift's motor is conveniently mounted to a Heavy-Duty tow dolly, making it easy to move and operate on almost any solid surface.

Exclusive features include a sliding/rotating arm design with high and low slip-on pads, low drive-over clearance, and more.
